

**CITY OF ISLE
ISLE, MINNESOTA
ISLE WATER AND WASTEWATER SYSTEM IMPROVEMENTS
WELL HOUSE – WELL – HISTORIC WATER TOWER**

ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of the **City of Isle Water and Wastewater System Improvements – Well House – Well – Historic Water Tower** will be received, by **City of Isle**, at the City Hall located at **285 Second Avenue South, Isle, MN 56342**, until **10:00 AM** local time on **September 1, 2021**, at which time the Bids received will be publicly opened and read. The Project consists of: 1. Demolition and removal of well house number 1 and associated piping and materials, historic water tower and associated piping and materials, sealing of existing well, selective building materials, bituminous pavement, concrete pavement, aggregate surfacing, and associated grading. 2. Construction of temporary erosion control, bituminous pavement, concrete pavement, aggregate base, watermain, generators, well, building addition and associated improvements, re-development of an existing well, and turf restoration. 3. Rework of existing well house #3 and a 640 sf addition. Restoration & new site elements. Addition consists of CMU walls, concrete slab floor, precast plank roof deck, membrane roof, & metal insulated siding. Includes rework & new mechanical, plumbing, & electrical systems.

The opening and reading of the Bids may be modified subject to COVID-19 preventative measures.

Bids will be received for a single prime Contract. Bids shall be on a lump sum and unit price basis, with additive alternate bid items as indicated in the Bid Form.

The Issuing Office for the Bidding Documents is: Widseth, 7804 Industrial Park Road, Baxter, MN 56425, contact person Tim Ramerth, 218-316-3653, Tim.Ramerth@widseth.com. Please contact QuestCDN.com at (952) 233-1632 or info@questcdn.com for assistance in free membership registration, downloading and working with this digital project information. You may download the digital plan documents electronically for \$30.

Bid security shall be furnished in accordance with the Instructions to Bidders.

Bidders shall submit proof of qualifications to perform the Work as described in the Instructions to Bidders.

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipeclamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.
